Key	Summary	Release Notes
EMC-8237	Gold - CAD Import Should Respect User Roster	We made some changes to the way the CAD Import handles importing users. Previously, the import would import users according to the CAD information. This presented an issue with users who may have left the service and the CAD was not updated. Now, the CAD import will only import users who are on the user roster and will ignore users who are not.
EMC-8126	Gold - Chart Toolbox button cuts off	Fixed an issue where the text on the Chart Toolbox button would sometimes appear cut off.
